21 August 2009

Bridgeborn Opens New Office in Southern Pines, NC

Recent contract win supporting the Department of Homeland Security and its National Level Exercise 10 (NLE-10) leads to Bridgeborn's expansion.

Virginia Beach, VA – August 21st, 2009 – We're pleased to announce that on August 1st, Bridgeborn's expansion continued as we opened an office in Southern Pines, North Carolina. Currently this office is home to three new employees - Steve Jameson, Chris Ensley and Mike Fry - who are supporting National Level Exercise 10 (NLE-10) as part of the L-3 / Bridgeborn team. The new office is located at 135 West Connecticut Avenue, Suite C, Southern Pines, NC 28387.

In addition to the support that Steve, Chris and Mike will provide on NLE-10, the Southern Pines office brings tremendous operational capabilities, qualifications and past performance. Most notably, the combined personal and corporate experience that they bring to Bridgeborn includes:

- Training and Education
- Exercise Support
- Red Teaming – Analytical and Operational
- Vulnerability Assessments
- All Hazards Preparedness
- Information and Intel Sharing and Operations

About Steve, Chris and Mike:

Steve Jameson has over 20 years of military and professional experience as a Navy SEAL, CIA Intelligence Officer and a civilian contractor applying practical technology solutions to real-world problems. Steve has wide ranging experience in both the intelligence community (IC) and special operations forces (SOF), and is well versed in intelligence, surveillance and reconnaissance applications.

Chris Ensley brings 17 years of experience in the fields of intelligence analysis and counterterrorism / homeland security policy. He spent more than 13 years at the U.S. Department of State in the Bureau of Intelligence and Research, and then in the Office of the Coordinator for Counterterrorism. Chris was a GS-15 when he left the Department of State.

Mike Fry brings over 20 years of service as an officer and aviator in the United States Air Force. He has extensive experience in planning and controlling joint/combined field and command post exercises. His experience supporting DHS includes being the Chief of Control for the Oregon venue for the Department of Homeland Security (DHS) TOP OFFICIALS FOUR Full Scale Exercise and Deputy Project Lead for the DHS Senior Officials Programs such as the Republican National Convention Exercise Series and the Presidential Inauguration Series.
